THE RIDER

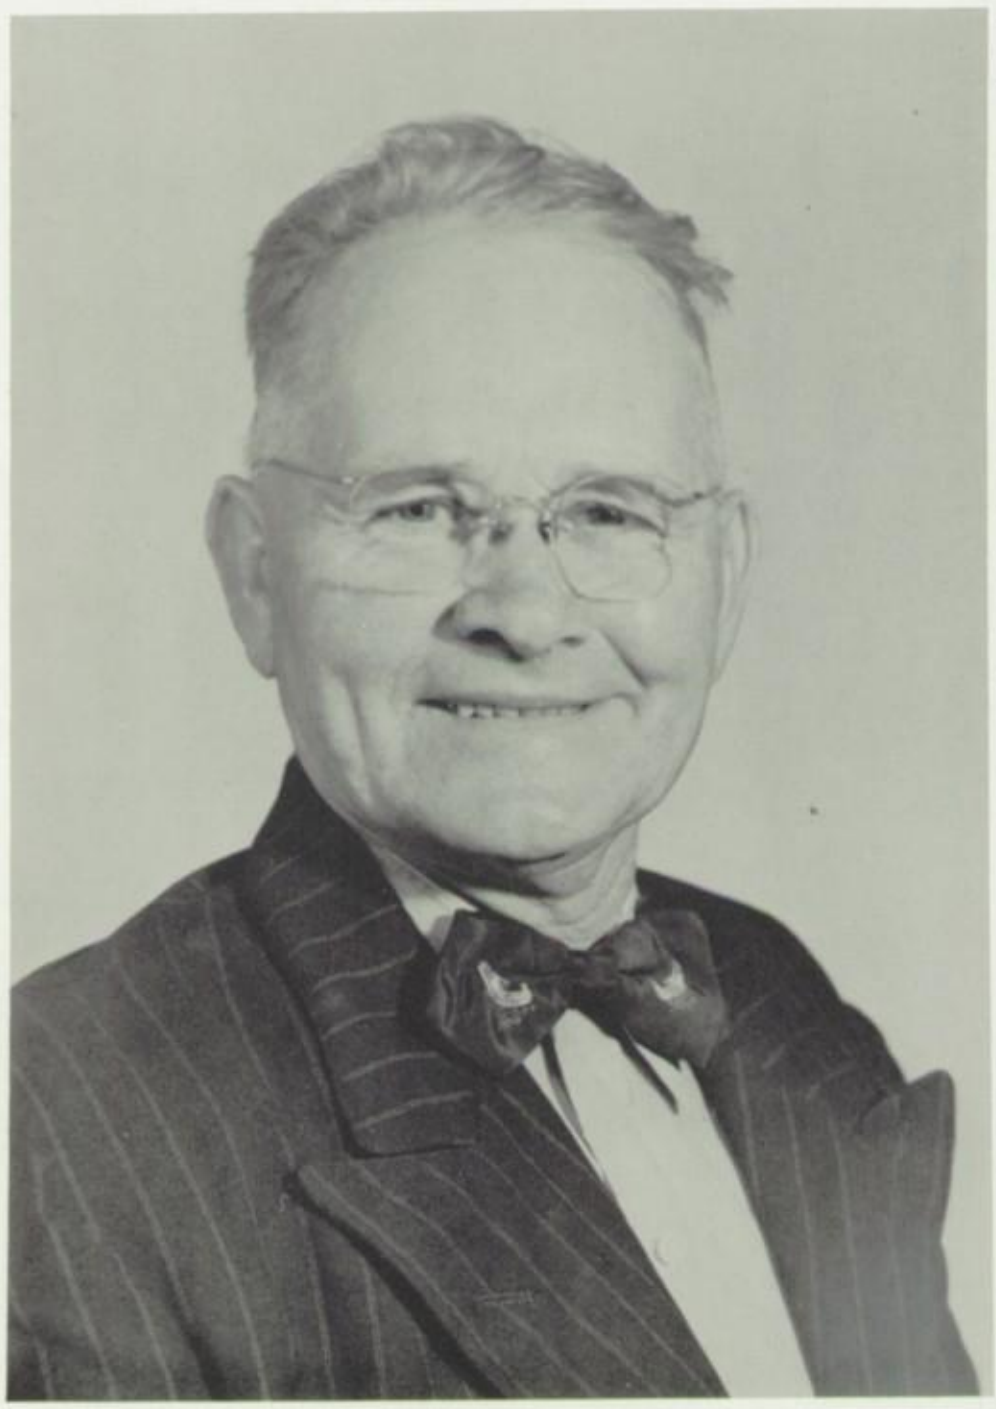
1960

PUBLISHED BY

Hulbert High School

HULBERT OKLAHOMA

Dedication



Emmett J. Freeman

A sense of pride and pleasure fills our hearts as we dedicate our 1960 yearbook. The person to whom we wish to honor is one to whom is due. For eighteen years he has served the Hulbert School as custodian and has been a friend to all the students and faculty.

We wish to express our appreciation for your sincere interest in all the activities of our school. To you, Mr. Freeman, we dedicate our yearbook--The Rider.

GRADE SCHOOL AND GYM BURNS

On November 18, 1959, Wednesday afternoon, our grade school building and gymnasium caught fire and burned to the ground. The fire started from a flue in the gymnasium about three o'clock and spread quickly to the rest of the building.

This building was built in 1946 from buildings purchased from the United States government--buildings which were part of the War Prison Camp at Pryor, Oklahoma, which housed German war prisoners during World War II.

After the building burned, the classes were resumed the following Monday. The cafeteria in the new building was opened. The drafting classes and mathematics classes met in the south end of the cafeteria, the first and second grades and the athletic classes met in the old, brick building. The third grade, the sixth grade, and one division of the fourth grade met in the educational building of the First Baptist Church. The other division of the fourth grade occupied the living room of the home economics department, and the fifth grade met in the west room of the shop building.
